EB Docket No. 06-36

In compliance with the annual certification required under 47 C.F.R. § 64.2009(e), the undersigned officer of New Hope Telephone Cooperative, Inc. (hereinafter, "New Hope") files the following statement of compliance with the requirements set forth in 47 C.F.R. § 64.2001, *et seq.* on behalf of New Hope:

1. I have personal knowledge that New Hope has implemented a system by which the status of a customer's Proprietary Network Information ("CPNI") approval can be clearly established prior to the use of CPNI.
2. I have personal knowledge that New Hope obtains written approval for the use of its customers' CPNI and that New Hope has notified its customers of their right to restrict New Hope's use of, disclosure of and access to their CPNI prior to obtaining such written approval.
3. I have personal knowledge that New Hope has designated a CPNI Compliance Officer, who is responsible for supervising the use, disclosure, distribution or access to its customers' CPNI, that New Hope has trained its personnel who may use, disclose or have access to CPNI as to when such personnel are and are not authorized to use CPNI in accordance with the requirements of 47 C.F.R. § 64.2001, *et seq.* and that New Hope has an express disciplinary process in place to deal with breaches of CPNI.
4. I have personal knowledge that New Hope implemented procedures to safeguard the disclosure of its customers' CPNI, including a customer password and backup authentication system, notification of customer account changes and notification of security breaches of customer CPNI to law enforcement agencies.
5. I have personal knowledge that New Hope maintains records of its own and its affiliates' sales and marketing campaigns that use customer CPNI and further maintains a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to customer CPNI. The record includes a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as part of the campaign. New Hope retains all such records for a minimum period of one (1) year.

6. I have personal knowledge that New Hope has established a supervisory review process regarding New Hope's compliance with the Federal Communications Commission's rules for outbound marketing situations and that the company maintains records of such compliance for a minimum period of one (1) year. New Hope's sales personnel obtain supervisory approval of any proposed outbound marketing request for customer approval regarding its CPNI, and a process ensures that opt-out elections are recorded and followed.

7. I have personal knowledge that New Hope has not received any information with regard to the processes pretexters are using to attempt to access CPNI.

On behalf of New Hope, I represent and warrant that the above certification is consistent with 47 CFR § 1.17, which requires truthful and accurate statements to the Commission, and acknowledge that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject New Hope to enforcement action.
